

Manufacturer Product Warranty

Coverage:

- 8-15-year warranty from the date of synthetic turf installation per specified product manufacture warranty
- Covers substantial changes in the turf, excluding slight color changes.
- Replacement of affected areas if pile heights decrease 50% or more within 15 years (excluding installation costs).
- Prorated coverage: Years 1-8 (100%), Years 9-12 (50%), Years 13-15 (25%).

Exclusions:

- Damage from accidents, force majeure, abuse, and neglect.
- Vandalism, floods, or other acts of God.
- Use of chemicals and improper cleaning methods.
- Failure to properly maintain, protect, or repair the turf.
- Damage that occurs during shipping or transportation.
- Damage caused by reflection (melting) or other flammable materials.
- Damage caused by invasive vegetation.
- Normal wear and tear.

Limitations:

- Excludes damage during installation, improper underlay, pile crushing, willful or negligent abuses, or damage by machinery or equipment.
- Not valid if not installed by a professional installer.
- Excludes implied warranties.
- Liability limited to the invoice price of the turf.

Inspection and Assignment:

- Purchaser must inspect all products upon delivery.
- Assignment of rights requires prior written consent.

365 Day Installation Guarantee

Coverage:

- The integrity of the base stays intact under normal weather
- Ensures that the installation process meets the highest standards.
- Products used on your project meets the highest industry standard

Exclusions:

- The installation warranty disclaims responsibility for issues with the synthetic grass product, which is covered separately by the manufacturer warranty.
- It does not extend to any problems stemming from the product itself, such as defects or wear and tear.

Limitations:

- The installation warranty specifically focuses on the quality of the installation process and does not cover issues with the synthetic turf product itself.
